

## Private Irrevocable Trust Declaration

This document establishes the [Trust Name] as a private, irrevocable trust created by a living man under natural law.

Grantor:

[Your Full Legal Name], a living man

Trustees:

[List names of initial trustees]

Beneficiaries:

[List beneficiaries or classes of beneficiaries]

Declaration:

1. This trust is formed for the preservation, protection, and private administration of assets, rights, and responsibilities of the Grantor and his posterity.
2. The trust exists in the private domain, and shall not be subject to public regulation, registration, or disclosure unless required by specific contract.
3. The Trust shall operate under common law and principles of equity, governed by its private documents, not statutory code.
4. The Trust is irrevocable as of the date below and shall not be altered without written agreement of all living trustees.
